Large Class Graduates At Jefferson

Lieut. Giusti Death Confirmed By Official Notice

Lieutenant Mario R. "Roy" Giusti, son of Mr. and Mrs. Jack Giusti, 374 Woodrow street, is now regarded as dead by the War Department, a telegram to that effect having been received by the parents, May 29.

This word blasted all hope of family and friends that Roy, listed as missing since September 21, 1944, might eventually turn up safe. The Army B-24 bomber of which he was navigator was hit by another Allied bomber over Belgium on the night of September 21 as the two planes were returning from a mission over Germany. According to members of the crew of his plane, who succeeeded in parachuting to safety and eventually reached their base, his plane was cut almost in two by the force of the collision.

The May 29 telegram was the third notice regarding Roy received by the mother. First one was the War Department's telegram listing him as missing. A month ago a letter from the chaplain of his army air base was received, telling how he met his death.

In addition to the parents, he leaves his widow, Caryl, and three months old son, Roy Lee, whom he had never seen, who live at 3569-A Mission street, San Francisco; a brother, Albert, motor machinist 1st class in the Navy and now stationed at San Diego; sister-in-law, Mrs. Juanita Giusti and nephew, Wayne Albert, residing at 188 School street.

A football and baseball star at Jefferson Union High school, Roy was regarded by many as that school's most outstanding athlete of all time. Going on to St. Mary's college, he again starred in his favorite sports for the Gaels. In 1942 and 1943, he captained Moraga football and baseball teams. An alternate halfback with Johnny Podesta, on an outstanding Gael gridiron squad of 1942, he was regarded by many sports writers as even better than the more widely publicized Podesta.

He entered the Army Air Forces in April 1943, and prepared for overseas service at Sheppard and Ellington Fields in Texas and at Casper, Wyoming. He received his second lieutenant's wings at Ellington in October of that year, and was assigned as navigator of an Army B-29 bomber in June, 1944.

More than the immediate family will miss Roy. A host of friends in Daly City and San Francisco; all down the peninsula, where his great work as a Jefferson high athlete will be remembered; all over the United States, those who remember his play as a Gael star —all know he played the game of war and life just as he played football and baseball—to the very limit of his ability. These friends extend to the family the utmost of a heartfelt sympathy.

Industry Asked To Watch Inventory

In order to free the greatest possible volume of materials for the production of civilian goods the War Production Board has opened a drive to obtain prompt cancelation of all orders stemming from contracts which have been cut back.

Letters are being addressed to large users of materials calling their attention to the necessity of reviewing their inventory position and advance purchase commitments in order to cancel all possible orders.

Cooperation of industry in adjusting the order load to reflect reduced level of military procurement will make available the maximum capacity for civilian goods production and consequent minimization of unemployment, it was stated.

"The Human Bridge"

U. S. Infantry School Photo

This is the infantry way of forcing a quick crossing where barbed wire bars the way. This will be demonstrated in the "Here's Your Infantry" presentation of doughboy tactics when more than a score of units tour the nation during the Mighty Seventh War Loan drive. Lying on the wire is Pfc. Wallace M. Russell, Pittsburgh, Pa. In the background is S/Sgt. Ralph E. Hamilton, Auburn, Maine, and Pfc. James H. Mull, Grand Rapids, Mich. The equipment demonstrated in these shows is but a small part of that needed for war. Your heavier purchases of War Bonds in the Mighty Seventh will provide the continuous supply of weapons necessary to carry on the fighting.

Scouts and Cubs Of Troop No. 141 Work At "Boy Joy"

Boy Scouts and Cubs of Troop No. 141 accompanied by their scoutmaster, Joseph Straughan, went to camp "Boy Joy" Saturday, June 2 and began work on a patrol unit cabin. The boys learned the meaning of the word "work" because they had to carry sand, cement and gravel in buckets down a steep hill for about 500 feet. They also carried bricks for the fireplaces which will be constructed in the future.

Some of the boys' fathers and their friends have volunteered their services when construction of the buildings is started.

McNutt Praises Volunteer Port Security Forces

"Coast Guard Volunteer Port Security Forces have given an outstanding example of conservation of manpower," Paul V. McNutt, war manpower director, said in San Francisco recently when he conferred with Coast Guard officers during his three-day visit.

"Releasing over 7000 trained Coast Guardsmen for overseas combat duties, civilians who serve two six-hour watches per week have, at the same time, insured the safety of our ports and the supplies and ships in them," McNutt declared. "A tremendous increase in shipping through the port of San Francisco is inevitable in the next few months, and more and more Temporary Reservists will be needed in the Coast Guard here unless regulars are to be withheld from combat duties where they are vitally needed," McNutt continued.

"I cannot over-emphasize that the war is not yet over, and that full utilization of all available manpower as exemplified in the double duty served by civilians at their regular jobs and part time in the armed forces, will hasten the day of victory," he concluded.

Edward W. Smith, a 20 year old San Bruno resident, held in the San Mateo County jail at Redwood City, doesn't like Sheriff McGrath's hostelry.

He indicated as much Monday night when he set fire to the mattress of his bunk, and was unconscious when rescued by deputy sheriffs. He had been in the jail three days.

Colma Reports 35 Per Cent of "E" Quota Reached

John Ferrari, Colma bond chairman, announced that the district has sold approximately 35 per cent of its "E" bond quota and 50 per cent of all issues. Buying is slow but steady.

The children in Colma schools are intensely interested in the current school bond drive. They seem to have been stimulated by the interesting experiences related by two war veterans, Lieutenant Jesse Arnold a returned soldier from the Philippines and Sergeant John Mucha who saw active duty in southern France.

They learned the great necessity of our people buying bonds to pay for the foor, clothing, ammunition and other essentials to win this war at the war movies given at Colombo hall, Friday, May 25.

Rural Delivery Approved For Colma Post Office

Frank Micheletti, superintendent of the Colma Branch Post Office, 7373 Mission street, announced last week that through an order of the Post Office department an extension of rural route service throughout the Colma district has been approved.

Delivery will be made once a day commencing on or about July 1.

Daly City Makes Forty Per Cent of "E" Bond Quota

Walter J. Lehigh, chairman of Daly City's Seventh War Loan drive, has announced that the total sales of bonds to and including June 2 amounted to $85,977. The total "E" bond sale for the same period came to $75,507, which is a fraction over 40 per cent of the quota assigned to Daly City.

Daly City Girl Scouts will be in charge of the booth at the theatre from June 4 to 10 inclusive. These young Americans are doing their bit by staffing the booth for the second week to help the Seventh War Loan over the top and help bring their fathers and brothers back home.

Bonds are also on sale at all times at the Bank of America and at the Daly City Post Office for your convenience.

Mr. Lehigh expresses thanks to all who have participated in the drive and feels sure if they continue at the present rate Daly City will make its quota and be among those who did their part to bring our boys back home.

VACATIONS—DON'T TRAVEL

This is the time of the year when the "vacation urge" becomes virtually irrepressible. The mountains or the seashore beckon to us. We day dream about fishing, hiking, swimming, horseback riding or just loafing. We want to "get away from it all" for a couple of weeks.

Due to the gasoline shortage we can't hop into our cars as we once did and hit the open road. If we plan to travel any distance at all we must use public transportation.

But this year, more than any other during this war, the West is "on the spot." One of the greatest migrations of men and materials is headed this way for the final showdown with Japan. Transportation facilities are already heavily strained and the peak load is yet to come.

The Office of Defense Transportation is urging all of us, "Don't travel." That may seem like a hard request to observe when we are so anxious to have a change of scenery. But if we look around us we can find many nearby places where we can find relaxation and enjoyment. A good vacation does not depend on visiting some distant spot.

Our cooperation in this matter will speed the transportation of fighting men and their equipment to the Pacific and thus will hasten that day when we can once again travel as much as we like on our vacations.

SHIP REPAIRS

Navy Secretary James Forrestal has made it clear that the ship repair situation on the Pacific Coast has become extremely serious.

The fact that the shipyard labor shortage out here made it necessary for the wounded aircraft carrier Franklin to travel all the way to Brooklyn for repairs gives a clear picture of the gravity of the problem.

Victory in Europe has caused many shipyard workers to leave their jobs and seek employment in peacetime industries. The result is that just at the time when the West Coast is entering the most crucial period of the war it is losing desperately needed manpower.

The Navy urges men to stick to their work in that area. Even if, for some reason, a man cannot work in a shipyard, there are many other essential industries in need of men.

The main thing is for workers to stay on the job. This is not the time to "call it quits"; rather, it is the time to work harder than ever.

THE LAST LAUGH

Well, the British people got the last laugh on William Joyce, the infamous Englishman who turned traitor and broadcast on the Berlin radio under the name of Lord Haw Haw.

Joyce, with his heavy British accent, laughed at England's war effort in the early days of the struggle. It wasn't funny to the English people as they fought to survive the Nazi air blitz and the submarine menace and to stave off Hitler's threatened invasion.

But "he who laughs last"—can laugh longer. Anyway, Lord Haw Haw is back in merry England once more—in jail.

BRITISH ELECTION

At the general election, to be held on July 5, all British citizens over 21 years of age—except peers, criminals and lunatics—will be able to vote. British voters do not have to apply to be registered. Election officials call and collect the names of all persons entitled to vote. It is estimated that about 90 per cent of the servicemen will be able to vote. In order to allow time for these votes to be received, the counting of votes will not commence until July 25, and the election results will not be declared until July 26.

Marines Slated For Two Toughies Sunday, Wednesday

San Francisco U. S. Marines, after a week on the road, will return to their home diamond at Marchbanks park this week for two of the toughest contests they have yet faced.

Number one will be a return game with the Longshoremen slated for Marchbanks park Sunday—the feature game of a doubleheader there that day.

Number two will be a league game with Mare Island Marines, rated by Coach Sgt. Don McShane of the local Leathernecks as the team to beat in league play, scheduled for the local diamond Wednesday afternoon, June 13. Sunday's game is scheduled for 2:30, the weekday contest for 2.

The Longshoremen want revenge on the Marines, who beat them 5 to 1 a couple of weeks ago. Manager Harry Maloney told McShane this week, "I'm going to beat your club if I have to get all the pros in the Bay area to play for me Sunday."

The Longshoreman skipper was scouring the highways and byways for ball players the past couple of days. What he came up with by press time will be told in another column.

The two Marine teams have broken even in two games to date. Marine Islanders won a pre-league setto 3 to 1; the San Francisco lads copped a later league tilt at Vallejo 11 to 3.

Concerning the latter game, McShane said: "We were lucky that day. For some reason, they had a second string catcher behind the plate and we were able to steal a flock of bases. And, it seemed that all our hits came just at the right moments.

"In my opinion, the Mare Island lads are the team we have to beat in this league. They rate in my book as much stronger than the Dynamiters."

The local Marines have won seven games in a row, and will be pressing hard to make it nine. Just who McShane will use on the mound in these two games he would not say this week.

Staff Sgt. Hampton Conn, big right hander complained of a sore arm after Sunday's game with Maritime Officers' Training School. "Lefty" De La Hunt and Sgt. Mike Duplinski are ready to go, and McShane will wait until just before game time each day to name his starting hurler.

Red Cross to Aid In Knitting Afghans for Navy

The knitting department of the San Mateo County chapter, American Red Cross, is participating in a nation-wide campaign to make 25,000 afghans for use on beds and wheel chairs of wounded servicemen, in Army and Navy hospitals, on hospital ships and troop transports.

This campaign is at the request of Army and Navy hospitals, as there is a great shortage of these useful coverlets. Besides the practical uses of the afghans for warmth and protection; hospital workers report that the gay colors work miracles in building morale and in adding a touch of home to the typical hospital ward.

Scraps of yarn are urgently needed in all colors. This yarn may be donated to be distributed to workers or be knitted or crocheted with any size needle or hook into squares 6x6 inches. Yarn or squares should be delivered to the knitting department at the workroom, 256 North El Camino Real, San Mateo.

Dr. Percy Sewell Returns to Office

Dr. Percy Sewell, one of our local dentists has returned to his office after an absence of nearly two and one half months.

On March 28 while a passenger on a No. 26 San Francisco bound bus Dr. Sewell who was seated in the rear was thrown to the front of the bus when the driver suddenly applied the brakes.

The extent of his injuries necessitated his spending three weeks in the hospital and then a number of weeks at home recuperating.

Studebaker Dealers Launch Post-War Expansion Plans

Reports received at Studebaker's Western headquarters, the Studebaker Pacific Corp., factory, indicate that dealers in key cities throughout California, Arizona and Nevada have already launched important post-war expansion plans.

Ranging from modernization of former business homes to construction of brand-new buildings on land acquired for that purpose, this program will do no small share in absorbing many workers who might otherwise find themselves unemployed.

The total amounts earmarked by Studebaker dealers thus far reporting their plans, will reach many millions, according to C. K. Whittaker, West Coast factory president and vice-president of the Studebaker Corporation of South Bend, Ind.

CHECK BACKFIRING

When the car's motor backfires, it's usually caused by too lean a fuel mixture. One way to avoid the possibility of a blow-out muffler when the car starts backfiring is to open the choke slightly. This temporarily checks backfiring by creating a richer fuel mixture, but backfiring is a symptom of incorrect carburetion, which should be checked by a competent

NEWS OF OUR MEN and WOMEN IN UNIFORM

First Base Air Depot, Warrington, England—V-E day found Pfc. Daniel L. Miller of 378 Woodrow street on the job, helping to ready more combat planes and equipment for immediate action wherever they might be needed.

Pfc. Miller is the son of Mr. and Mrs. H. C. Miller, 378 Woodrow street, Daly City. Pfc. Miller is engaged to Miss Maureen Toner, 45 Chelford street, Manchester, England. He is one of the crack Air Service Command team who pitched in to back the air assaults that helped knock Germany out of the war.

Commending their battle-backing efforts, Brigadier General Morris Berman, commanding general of the Base Air Depot, Air Service Command, declared: "These soldiers of the Base Air Depot have, since their work began, dispatched 415,000 tons of air corps supplies, assembled and modified 12,000 combat planes, and repaired or overhauled more than 30,000 aircraft engines.

"Every soldier, whatever his job, contributed materially to the magnificent, final result. I commend them and I know that whatever their next task, they will fulfill it with credit to themselves and their country."

Pfc. Miller has been overseas since October 1943 and joined the army in March 1943.

Tonopah, Nevada, June 1, 1945 —Tonopah Army Air Field, only Fourth Air Force B-24 combat training station in Nevada, recently completed more than 50,000 flying hours, (more than 10 million miles of flying!) without a fatal aircraft accident. The former Fourth Air Force record of 33,500 hours was set by March Field, California, but eclipsed by Tonopah's airmen on April 4 of this year.

Colonel John A. Feagin, of Evergreen, Alabama, and San Antonio, Texas, commanding officer of the Tonopah base, gave credit for Tonopah's ever-growing record to the combat crews who fly the planes, the officers and enlisted men who instruct them and the mechanics who "Keep 'em Flying."

Lt. Col. Alfred V. Walton, of Shattuck, Oklahoma, is the director of operations and training at TAAF. Among the men assigned to his all-important division are Sgt. James A. Fox, 25, 526 Crocker avenue, instructor gunner and S/Sgt. Kenneth J. Grubb, 24, of 69 West Cavour street, Daly City.

Pratt, Kansas, May 28—Soon to enter a combat theatre of operations in a B-29 Superfortress Bombardment Group to help bring the war against Japan to a close is Cpl. George P. Gaggero son of Mrs. Adelfine M. Gaggero, Skyline boulevard, San Pedro road, Colma.

Cpl. Gaggero is now completing final training at Pratt Army Air Field.

With the 28th Infantry Division (The Tokyo Express) on Okinawa—Private First Class Robert E. Byrne jr. of Daly City is now in action against the Japanese on Okinawa with the "Gunners" artillery battalion of the famed 27th Infantry Division.

This veteran battalion is part of Brigadier General Charles (Green Hornet) Ferrin's division artillery which landed with other elements of the 27th's Tokyo Express on the Hagushi beaches of the strategic Ryukyuan stronghold on April 9.

The big guns of Private First Class Byrne's outfit are blasting heavily fortified enemy artillery, mortar, and machine gun positions in support of army and marine troops meeting stiff Jap resistance in the southern portion of the island.

This smash at the doorstep of the land of the Sinking Sun marks the second campaign for the "Gunners" commanded by popular Lt. Col. John H. Scott of Binghampton, N. Y. Prior to this operation they fought in the Marianas Islands.

A machine gunner, Pfc. Byrne entered the service in October 1942 and has served 30 months overseas.

His home address is 39 San Pedro avenue where his mother Mrs. Elenore Byrne resides.

England, VE Day — Among the 185,000 men and women of the Eighth Air Force congratulated by Lieutenant General James H. Doolittle, who assumed command of the Eighth in January, 1944 are Flight Officer Otto P. Bueren, son of Mrs. Babetta Bueren, 3304 San Jose avenue, a B-17 navigator; Staff Sergeant Donald L. Cass, 26, a cryptographic technician with the 78th Fighter group, whose mother, Mrs. Gertrude Z. Ward, resides at 320 Peoria street; Captain Oliver J. Granucci, son of Mr. and Mrs. Oliver B. Granucci, 169 Mateo avenue; Sergeant Earl R. Ralston, husband of Mrs. Helen Ralston, 550 Templeton avenue and T-Sgt. Albert A. Silicani, instrument specialist 490th bombardier group, son of Mrs. Mary Silicani, 176 Werner avenue.

"I wish to extend my personal congratulations and my heartfelt appreciation to every one of you for the magnificent job you have done," Gen. Doolittle said in a message to all personnel.

"Each of you," he continued, "may be proud of your part in the defeat of Germany. I am proud of you. The world is proud of you."

The Eighth Air Force was the world's mightiest strategic bombing force. Its personnel of 185,000 was the equivalent of 12 infantry divisions, and it could send 21,000 airmen in 2,000 four-engine bombers and 1,000 fighters over Germany at one time, a combat effort possible only through the support of tens of thousands of non-flying specialists.

Since August, 1942, when combat operations began, Flying Fortresses and Liberators of the Eighth dropped more than 700,000 tons of bombs on enemy targets. Fighter pilots shot down 5,250 Nazi planes and destroyed 4,250 others on the ground. Bomber gunners shot 6,000 German interceptors out of the air.

The Eighth dropped an average of a ton of bombs every minute of the last 12 months.

Airmen of the Eighth were the first Americans to attack Germany. The early crews flew a handful of unescorted bombers against the powerful Luftwaffe, and proved the feasibility of an American idea—precision daylight bombing over the Reich.

With the 32nd Infantry Division in Northern Luzon, P. I. — Private First Class Angelo F. Cortopassi, son of Mr. and Mrs. Dario Cortopassi, who live at 56 Bismark street, Daly City, has been assigned to the 32nd "Red Arrow" Infantry Division now fighting on Luzon.

In the service since July, 1944, Cortopassi trained at Camp Hood, Tex., before shipping to the Philippines. He has reason to be proud of his new organization. The infantrymen in this unit have seen action in six major engagements in the past thirty-seven months and hold the Distinguished Unit Badge for their performance in the bloody Buna Battle.

Cortopassi's wife, Mrs. Fesca Marie Cortopassi, lives at 63 Cotter street, San Francisco.

Irish To Celebrate Wolfe Tone Birthdoy

The birthday of the Great Irish patriot, Wolfe Tone, will be celebrated by the Knights of the Red Branch with a dance in Moose hall, 1621 Market street (near 12th) on Saturday night, June 23. Invitations have been sent out to all the Irish organizations in the East Bay region to participate in the celebration, and it is anticipated that a great gathering of the Irish will be on hand that night to do honor to one of Ireland's greatest organizers and revered patriots.

The committee has arranged for a lively evening of American and Irish dancing to the strains of a specially selected orchestra of Irish musicians. Some of the numbers will be Irish reels, hornpipes, highland fling and old country polka sets.

For the third consecutive year, San Francisco is again the Bright Spot of the Nation, with the lowest combined bills for gas, electric and telephone service for average family use. (Comparably low rates apply also to other communities served by this company.)

The table above, taken from the annual report of the California Railroad Commission for the fiscal year ended June 30, 1944 shows:

1. That San Francisco has lowest utility rates among the 25 largest U. S. Cities. Average monthly bills here are $1.83 for gas, $2.37 for electricity and $3.00 for telephone—a total of $7.20. Los Angeles, with a tax-exempt municipal electric system is third with a total bill of $7.76.

2. That the monthly average bill for gas and electricity in San Francisco is $4.20. In Los Angeles the charge is $4.51. The one major city in the U. S. with a lower bill is Cleveland with $4.16—a monthly difference of only 4 cents.

Wartime conditions have brought many increases in the cost of living as well as lowering the quality of service. Your gas and electric costs have gone down and quality of service has been maintained.

News From Jeff District Schools

AT JEFFERSON

This past week has been a busy one with its final tests and finish-up work, that always precedes the end of every school term. Our children are showing a great interest in the three days of school participation (next Monday, Tuesday and Wednesday) in the Seventh War Loan drive. This will be a state-wide drive in all of our schools.

The sixth grade had a very interesting story program centered around their social study unit on Tuesday. The unit is called "Farming Through the Ages."

Susannah Wilson told the ancient Chinese legend about "Tea." Ruth Durham talked about cotton. She told about the important part it played in Old World history and how it came to be a contributing cause in our own Civil War. Robert Giorni spoke about climatic conditions and how trade between countries was affected by them.

This week the high and low third grade children have about completed their animal books. They added a final class story called "Wild Animals" and are working on very attractive covers, decorated with original pictures of wild animals.

CROCKER

Last week the students of Room 2 of Crocker school were happy when they learned that they won the war stamp banner.

In connection with their unit "Ancient Civilization," the students of Room 3 have been interested in the life of the Greek and Roman peoples. They have made a study of the art, literature and education of these ancient people.

The students of Room 6 were sorry to hear that James Wilson is transferring to San Francisco.

Longshoremen Seek Revenge on Marines Sunday in Local Doubleheader Feature

By Ted Shipley

Hey, you baseball filberts— like plenty of action and excitement in your diamond contests?

Then—take a tip from papa—get out to Marchbanks park Sunday at 2:30. The Longshoremen and San Francisco U. S. Marines are going to clash (and crash) in a return game.

On second thought, better get out about noon. Sunday's affair will be a doubleheader, with Regal Pales and Western Pipe and Steel ringing up the curtain at 12, in a Managers' Association Summer League contest. This one might uncork something, too. Regals have rampaged through two or three recent games, while Western Pipe and Steel are just about set to shake the jinx that has trailed them through summer play.

But back to the main go. Jumpin' Jive—what a ball team that guy, Harry Maloney of the Longshoremen, gets together when he sets his mind to it. Harry has one idea in mind this week (that is to obtain revenge for that 5 to 1 trimming the Marines handed his club a few weeks back) and is sparing neither time nor expense to get the best there is, to bolster his club's weak spots.

He is after a pitcher from Alameda Air Base—one of the three major league stars that service outfit now sports. He already has one of the Bay Region's top sensations, 17 year old Jack Lyle, who set Vallejo Builders down with seven hits two weeks ago, and struck out 13 men. Also Lou Beecher, who a year or so ago got a tryout with the St. Louis Cards.

A couple of weeks ago he added Mike Dalton, stellar shortstop of Western Pipe and Steel's AA Winter League champs to his roster. And Dalton promptly shoved the veteran Frank Guglimetti into center field.

At present Maloney figures to play left field himself, with Guglimetti in center and McCarthy in right. "Lefty" Fieber will hold down first, Eddie Rose will handle the keystone, Dalton will guard the short patch and Tudo Carrasco is slated to cavort at the hot corner. Captain "Red" Houghton of the Marines or Don Santouri will operate behind the log.

All of which is maybe, particularly in right field and behind the plate. Maloney was still trailing a couple of ace performers for these spots earlier in the week, and most likely will come up with them by game time.

The regular Marine lineup will start, unless MsShane decides to start Jenkins, a husky newcomer, with considerable pro experience, behind the dish. Sgt. Mike Duplinski, who gave the Longshoremen seven hits three weeks ago, or Sgt. Hampton Conn, big right hander will fire.

The Marines have won eight straight games—will definitely be out there to make it nine. After flogging the daylights out of such mound performers as Okey Flowers, "Lefty" O'Rouke, Dave Davenport and a few others of top caliber, the Leathernecks figure they will get their base hits, no matter who chucks for the Longshoremen. Maybe they're right—we wouldn't know—at least not now.

St. Bruno Church Plans Fall Festival

Additional plans were made for the Fall Festival to be held by St. Bruno's Catholic church when the committee met recently in the Parish hall.

The dates for the affair are Friday and Saturday evenings, September 21 and 22, also Sunday afternoon and evening, September 23.

On June 9, Mrs. Marie Mutto, chairman of the Kiddy Carnival and her co-workers will hold a social in the Parish hall, the proceeds of which will be used to help defray the expenses of their booth. Dancing will be enjoyed, refreshments served and a good time is promised everyone who attends.

Buzz' Shamrocks-Aquatic Park Turn In a 1 to 0 Thriller

Local baseball fans who turned out for the morning game at Marchbanks park Sunday, saw a tight, well-played game, Buzz' Shamrocks taking a 1 to 0 decision over Aquatic Park, by scoring the run with two out in the seventh and final inning. The Shamrocks replaced O'Neill Druge on the schedule.

The contest was a mound duel between Flinn of the Shamrocks and Pasquinelli of Aquatic Park, each pitcher giving up two hits. Pasquinelli lost his game when he walked O'Leary, Shamrock's diminutive shortstop with two down in the seventh, and O'Leary promptly stole second. Mallon soared a double into deep center field to score O'Leary with the needed run.

Camporee Is Highlight for Scouts of Troop 148

Troop investiture at Holy Angels church, Friday night, June 1 and the Suburban Camporee at Pine Lake, Saturday and Sunday, June 2 and 3, made the past weekend a memorable one in the history of Boy Scout Troop 148.

Eight boys, Patrick O'Leary, John O'Leary, Robert Volkman, Robert Neville, Lanty Molloy, John Scocca, Donald Garibaldi and Adolf Klein received their tenderfoot badges at the Friday night investiture ceremonies, while Robert Benassini received his first class scout badge and was promoted to Senior Patrol Leader.

The investiture was under the direction of Scoutmaster Alfred Zwyssig, assisted by Scout Committeemen Rev. James McElligott, Patrick O'Leary sr., Thomas Bocci, Peter Cresci and Joseph Cunningham.

Rev. Eugene Shea, Archdiocesan Boy Scout chaplain and Rev. McElligott officiated at the ceremonies.

Prominent Scout officials in attendance were Senior Field Executive Thomas J. McFadden, District Commissioner Joseph A. Powers and Neighborhood Commissioner Robert E. Burns.

Refreshments were served attending parents and friends of the Scouts in the Scout hall after the investiture and benediction.

The Camporee Saturday and Sunday was in charge of Scoutmasters Alfred Zwyssig of Troop 148 and Jack Grabosky of Troop 134. Troops in attendance were 148 of Colma, 106 of Daly City, 145 of Bayshore and 134 of Brisbane. Members of Sea Scout Ship 144, in charge of Mate Joseph A. Powers jr. handled camp security duties in very able manner.

The boys arrived at camp Saturday and stayed overnight, returning home Sunday afternoon, and engaged in competition in all phases of camp activity throughout the two days.

Troop 148 took down most honors, winning best troop, best Scout (Arthur Rudd), knot tying (Ronald Crowell), and first aid (Robert Benassini), Troop 145 took down two first honors—best patrol in troop and best Scout in patrol (Roy Vargas). William Smith of Troop 134 won first honohs in signalling.

Contest judges were F. A. McFadden, J. A. Powers sr., Skipper Mel Battye of Sea Scout Ship 144, and Scoutmasters Zwyssig and Graboski. Rev. William Hayes conducted non-sectarian religious services Sunday.

Police Officer Arrests Former Prison Inmate

On June 6 at 11:55 p. m. Officer Roland Petrocchi was contacted and informed that Eldon League who was in Donati's Tavern had a 32 automatic under his coat. Officer Petrocchi took the gun from him and told him he was under arrest. While League was being taken to the police car he made a break and started running west on Hillcrest drive. After being warned by the officer that he would shoot, League kept on running. Two shots were fired in the air before he was finally overtaken and jailed.

Upon questioning it was found he had served time in San Quentin and Leavenworth prisons.

Two radios, a clock, soldering iron, jimmy bars and various articles that allegedly tied him in with three different burglaries in San Francisco were found in his room.

He was released to San Francisco inspectors.

Canning Sugar Is Limited To 10 Lbs. Per Person

In the wake of nation-wide tightening of sugar rationing, Charles R. Baird, OPA regional administrator, this week issued an order limiting issuance of sugar for home canning purposes to ten pounds per person.

The order, designed to assure every consumer an equitable share of the curtailed 1945 sugar supply and prevent the possibility of complete suspension of home canning rations, will apply to California, Arizona, Nevada, Oregon, Washington and Northern Idaho.

Baird's order was accompanied by a statement in which he praised housewives in the Pacific region for their "patriotism and fair play in 1943 and 1944 in applying for home-canning sugar rations," which he said, allowed "a fair and satisfactory distribution of supplies in those two years."

The regional order establishing the ten pound limit also was at variance with emergency policies anounced in the East and Midwest by OPA, where an avalanche of applications has tended to exhaust regional sugar allotments and already has resulted in a complete suspension of sugar issuances in many areas.

Declaring that his order is intended to prevent need for such suspension in this region and to assure continued fair distribution here, Baird, in a message to OPA District Director Robert B. Parks said: "To assure equal treatment to all housewives and to stay within the total reduced 1945 allotment given this region, I am setting ten pounds as the maximum amount of sugar per person which may be issued for home canning purposes by local War Price and Rationing Boards."

Baird pointed out that this order will meet the problem growing out of reduction of the 1945 sugar allotments for home canning purposes to 70 per cent of the 1944 allotment which, he said, was "virtually unrestricted."

"Housewives on the Pacific slope established a creditable and patriotic record in 1944, by generally limiting their applications for sugar for canning purposes to needs, and I am confident that they will do so again this year.

"As a matter of fact, the 1944 issuance in this region in relation to population, was less than 50 per cent of the national per capita average, despite the region's position as a major fruit and berry producing area. This meant, in simple arithmetic, that housewives of the far west generally asked only for what they honestly needed."

Baird added that heavy early demands for sugar in areas in this region where fruit became available for home-canning early have seriously depleted sugar stocks, and that "it has become necessary for us to establish protections to assure all housewives of an equal share of what sugar remains."

He went on to say that "in the face of the splendid and patriotic record established by consumers in the past two years in this region, it is needless to emphasize that housewives should not apply for home canning sugar rations unless they have fruit presently available for home processing." The sugar order was issued to all local War Price and Rationing Boards.

Training School Is No Match for Marines

Conclusively demonstrating their improvement of the past two months, San Francisco U. S. Marines blasted the Alameda Maritime Officers' Training School nine 10 to 2 at Washington park, Alameda, Sunday morning. This was the Marines' sixth straight victory and particularly satisfying since the Maritime nine had beaten them in an early season contest.

S/Sgt. Hampton Conn. newly returned to the Marines mound staff held the Maritime batters to four hits, while his mates cracked 14 off two home pitchers.

Junior College To Graduate Class Of 32 Students

San Mateo Junior college will hold its twenty-third commencement exercises Friday morning, June 15, when it will graduate a wartime class of 32 students. The event will be held in the beautiful Woodland theatre in Hillsborough, starting at 10:30. The graduates are drawn from the entire county.

Dr. C. Langdon White of the Stanford faculty will deliver the address, speaking on "The 1945 graduate contemplates the new world."

Presentation of class gift, scholarship awards, service awards, and cash prizes for excellent writing in the college literary magazine and for research work in county history, and musical numbers by the women's chorus are all included on the program.

Previous to the exercises the graduating class will meet for a class breakfast, and following the exercises the faculty and wives will join for a luncheon. On Saturday, June 16, the college will have its traditional June Sophomore Formal dance at the Beresford Country club.

Students at the college, in their recent bond drive to help the Seventh War Loan, sold nearly $20,000 of bonds and will reach that mark shortly.

Sophomores have been observing their closing days at junior college by having a "Soph Week" with their class featured in various ways, including an assembly which featured the whole class.

DON'T "CALL A DOCTOR"—

Call ON Him...

YOUR Doctor is carrying a DOUBLE burden these days. He's not only taking care of his own patients, but those of associates who are now serving in the armed forces. His time is precious—help him conserve it. Instead of asking a physician to visit your home, *call on him* at his office, *during regular office hours.* Above all, be considerate in the matter of *night calls.* And, of course, bring his prescriptions to this pharmacy for prompt, accurate compounding.

Hearing Losses Blamed On War

World War II is the noisiest war in history, and the intensity of sound from its aerial bombing and increased fire power has caused great damage to the hearing of soldiers and sailors, according to Dr. Norman A. Watson, assistant professor of physics on the Los Angeles campus of the University of California.

It is expected, however, that better methods of testing hearing losses and better hearing aids than now available will be developed to make the best use of the veterans' remaining hearing, Dr. Watson says.

Many hearing casualties in the remainder of the war will be avoided by use of the ear defenders now widely distributed to fighting men, Dr. Watson believes. The ear defender is a specially designed earplug developed by research experts at U.C.L.A. and Harvard.

This year the government demands a greater investment in "E" bonds—the people's bonds—than ever before. One reason for this is that there will be only two drives this year instead of three as before. Another is that idle money in the pockets of the American people will bring inflation unless that money is invested.

Marines "Take" Dynamiters By A 6 to 3 Margin

Lou Welaj, pitcher-manager of the Vallejo Naval Depot Dynamiters used to belong to the Brooklyn "Bums." The San Francisco U. S. Marines reminded him of that fact in no uncertain manner last Friday afternoon at Marchbanks park, when he walked Bob Tschida the first man to face him in the game, and four of the next five men, "Lefty" Norris, Joe Couvillion, "Moose" Russell and "Skee" Kozielski all pounded out base hits, those of Norris and Russell going for three bases each.

This uprising gave the Marines four runs, enough to win the game, as the final score was 6 to 3 in favor of the Leathernecgks. The win gave them undisputed possession of first place in the Northern section of the 12th Naval District's National league.

Welaj settled down after the early Marine uprising, and got Freese and Goodale to hit infield outs to finally end the first inning.

He was nicked for two more unneeded runs later in the game, but for the most part kept the Marines subdued the remainder of the day. With two out in the third, Le Roy Goodale maced a hot single off Lou's glove, De La Hunt walked and Bob Tschida, who had a perfect day at the plate with two singles and three walks, singled to score Goodale.

Russell's double and Kozielski's single netted the other Marine run in the sixth.

Meanwhile the Dynamiters got one run off "Lefty" De La Hunt, starting Marine hurler, in the second. Enjaian singled, De La Hunt wild pitched and Evans boomed a one bagger to score Enjaian.

"Lefty" ran into trouble in the sixth. He walked Denison, Walaj singled, and Mungo walked to load the cusions with no outs. De La Hunt temporarily settled to get Enjaian on a pop to first base and fan Harris. But cross-handed batting Evans slid a bloop roller towards second base for a hit, Denison scudding across the plate. Welaj followed across as Freese threw wild past first on the play.

Coach Don McShane of the Marines wigwagged Mike Duplinski, Marine right hander from the bullpen to the mound at this juncture, and Sgt. Mike promptly fanned Johnson for the third out of the canto.

Mike ran into trouble in the next frame, when the Dynamiters filled the bases with one out, but squeezed out of it by whiffing Mungo and causing Enjaian to hoist to Freese.

This was strictly all for the Vallejoans—Mike set them down in order in the eighth and ninth.

After traveling for two games out of town this week, the Marines will return to Marchbanks park next Wednesday, June 13, to face the Mare Island Marines. With S/Sgt. Hampton Conn, big right hander returned from a furlough, to help De La Hunt and Duplinski with the mound duties, the Marines may book a practice game or two for next week. If so, information regarding it or them will be found in another column of the Record.

Marines Print Tribute to Corporal Bolger

The following article appeared in the June issue of the "Leatherneck," official magazine of the Marines:

"We remember guys like Corporal Richard G. Bolger who took over a squad when his sergeant was hit. He made a dash for the front lines, bypassing a bunker on his right. Bolger had a boil on his right hand and the Captain was going to leave him on the ship, but he came ashore anyway. He traded his M-1 for a carbine so he could carry it and he did a great job of leading his squad, with good control all the way."

He did his duty at all times and paid with his life on March 8 when he was killed in action on Iwo Jima.

A letter recently received by his parents, Mr. and Mrs. William P. Bolger, 43 Risel avenue, from their son Philip, who is with the Merchant Marine and now somewhere in the Southwest Pacific states he met a marine who told him Richard's company was almost entirely wiped out.

Minnie R. Rankin Passes to Beyond

Minnie R. Rankin, 215 Willits street, a resident of Daly City for 16 years, passed away Tuesday, June 5 after a long illness. She was the wife of the late Sidney F. Rankin, who passed away about one year ago, mother of Pearl, Daisy, Robert and Sidney F. Rankin jr., and Mrs. Jack Dew, grandmother of Edith and Ronald Hunt.

Funeral services were conducted Thursday, June 7 at 1:15 p. m. from the mortuary of W. C. Lasswell and company, 6154 Mission street. Interment was at Golden Gate National cemetery, San Bruno.

Frank Newmans Cinch Title In Summer League

Frank Newman Company practically cinched the championship of the Baseball Managers' Summer league at Marchbanks park Sunday afternoon, when they dropped Laundry Workers' Union, one of their nearest contenders, 8 to 4. At the same time, Federal Outfitting Co., the other team still in the race, walked off the field at "Big Rec" diamond, refusing to continue a game with Gordon Realty, and was assessed a 9 to 0 forfeiture.

All this put the Newman Co. nine two games ahead of all other teams, and with only four games to play, and the Gordon Realty contest apparently the only tough one of the quartet, it looks as if the Newman lads can coast in.

In the other game at Marchbanks' Sunday, Grosso Music defeated Young Christian Workers 11 to 6.

Both winning teams took early leads and were never headed. With the infield grass wet and slippery from an early morning fog, and with a drizzle falling at intervals throughout the afternoon, both Newmans and Grossos made good use of a bunting attack.

Newmans scored three runs in the first inning, when Mangum, Cirimelli and Brown beat out bunts, and Kenna and Baiocchi walked. The third man scored as Lou Chulla, Laundry Workers starting pitcher threw Brown's bunt wildly past first.

Singles by Kelly, Mangum and Cirimelli, Chulla's second error and Kenna's sacrifice gave Newmans three more in the fourth. Chulla retired from the mound after this inning, being replaced by "Lefty" O'Rouke, southpaw from the Oakland Naval Supply Depot.

O'Rouke gave up two runs to Newmans in the fifth, via singles by Brown and Mangum, a walk and a sacrifice, but was master of the situation after that. He permitted only one hit, a single by Graber, in the last four frames.

McAllister's mighty triple to the left corner of the field following singles by Steele and Simi gave the Laundry Workers two runs in the fourth. Tony Chulla was hit by a pitched ball in the sixth, stole second, went to third on an out, and plated on O'Rouke's one-bagger. Simi singled and stole in the ninth, and McAllister promptly brought him across with a single, his third hit of the day. "Mac" had a perfect day at the plate, a walk, a triple and two singles.

Mangum and Brown led the Newman attack with three hits each.

Young Christian Workers got off to a two run lead in the first inning of the noon game, three singles and a walk scoring Stromberg and Heinbockel.

But this was nothing to what Grossos uncorked in the second, when they combined five hits, including doubles by Walsh and Saisi, with three walks, a hit batsman and an error to send nine runs across the plate.

This mighty upsurge drove Charlie Stillian, YCW pitcher from the box and he was replaced by Walt Remey, who gave up two runs in the fourth on singles by Tournahu, Snowden and Mulsiano and a long fly by Tringali.

Walt was replaced by Freddy Stromberg in the fifth, and the latter did the best pitching of the day. He gave up only one hit, an infield scratch by Walsh in the last four inings.

Meanwhile a walk and two singles brought Maloney and Remy across the plate in the fifth inning for YCW's third and fourth runs and forced Fred "Blubber" Scolari from the mound, "Miller" Allison taking over in the sixth for Grossos.

Allison was nicked for singles by Stillian, Maloney, Stromberg and Heinbockel for YCW's last two runs in the eighth.

Saisi, a youngster from Aquatic Park's junior nine hit a double and single for Grosso in his two times at bat, with Tom Walsh the leading hitter of the Music nine's regulars getting a double and two singles. Maloney got three for four, and Remy two for three for YCW, all singles.

Kozielski Sparks Marine League Win

Sgt. Frank Kozielski, first baseman who has been in a batting slump, snapped out of it Wednesday at Avon to drive in five runs, as the San Francisco U. S. Marines took an 11 to 4 victory over Port Chicago Cubs in a 12th Naval District National League game.

The Cubs took a two run lead in the last half of the first inning, but the Marines came back to tie the score in the top half of the second, and added three in the third. After that they were never headed.

"Ronnie" De La Hunt, Marine southpaw kept eight Port Chicago hits well scattered. One of them was a home run with no one on base, by Ed Graham, Port Chicago outfielder.

Share The Ride Brother--Or Else!

Rather ride? Then share your car—and don't forget to take care of bearings and tires, or you won't have a ride to share.

Thousands of two-color posters, bearing this message to war workers have been distributed to war plants throughout central and northern California, for bulletin board display. Distribution of the posters by the California State Automobile association is the initial step in a campaign which has the two-fold purpose of stimulating car sharing, and the conservation of automotive equipment.

Transportation problems of the nation have increased tremendously, after four years of war. The increased military demands for gasoline and tires, and the increasing shortages in replacement parts and repair facilities make rigid conservation of existing passenger cars necessary, if a breakdown in essential transportation is to be forestalled.

Cooperating in the new ride and car conservation program are the Office of Price Administration and the American Automobile association, with the state association assisting locally.
